RE: Community Service Award Nomination – Century West Homes

Century West Homes is a valued partner of Kids Help Phone in Regina. Their tremendous support began with the use of their show home for our Homes for the Holidays event, allowing the home to be decorated for Christmas and open to the 500 guests who attended. The contribution of Century West Homes helped raise more than \$23,000 for Kids Help Phone, a professional phone and online information and counselling service for children and youth.

Since then, the support of Century West Homes has continued to grow. They sponsored our Being There for Kids Breakfast in the spring which raised more than \$16,000 for Kids Help Phone. And now they are on board again for this year's Homes for the Holidays event – not only in lending their newest show home, but also as the sponsor and host of our exclusive Homes for the Holidays Preview Night.

Century West Homes exemplifies commitment in giving back to the communities in which they operate through the many organizations they support. They help create awareness through distribution of material in their show homes and are always looking for new ways to promote and assist their non-profit partners.

As they continue to grow, their commitment to the community grows with them. It has been a pleasure working with the team of Century West.

Respectfully,

Cindy Kobayashi
